Dear

At the last meeting of the Club Committee it was resolved to accept your application for Club membership. Accordingly I wish to take this opportunity to welcome you as a Club Member and hope that your association with us will be a long and happy one.

Your subscription of \$per annum to 31 March is now due.

Our Club is a non-profit-making organisation, existing primarily for its members and to this end, any assistance you can offer to further its objectives would be most welcome. This may be by suggesting tramps, helping with their planning or perhaps by recommending the club to others.

The club has some tramping equipment that members may borrow, perhaps when starting out or when extending their tramping skills. Contact the Club Captain for more details.

Enclosed is a copy of the Club's Constitution and Rules together with a copy of "Safety in the Mountains", which is well worth a read.

The club issues a bulletin in June and December, which includes trip reports written by a Club Member about the tramp, provides details of the trip program and other interesting and useful articles. A copy of the latest Bulletin is also enclosed.

If you have not already done so, please advise the Club Secretary of your email and postal addresses and a contact phone number, and advise of changes as they may occur. The preferred form of communication from the Club is by email, as this is quick and easy, for example when trip details change or notices regarding items of interest are sent out. However the Club also communicates to members by mail and telephone where an email address is not available.

For further information contact the Club Captain,, telephone 07

Yours sincerely

.....
Secretary, Hamilton Tramping Club
