## **RULES**

### ***CLAUSE 27***

Whilst the committee shall take all reasonable care to ensure the safety of participants on trips the participants themselves undertake such trips entirely at their own risk and no **RESPONSIBILITY** will be accepted for accidents, injury, loss, delay or other misadventure which may occur or happen to members while on trips arranged by the Club. Neither the Club nor any member of the Committee or any other Member of the Club shall be liable for damages, injury, loss or damage suffered by any Member of the Club while such Member is engaged in activities organised by or on behalf of the Club. Members undertake and participate in such activities entirely at their own risk.

### ***TRANSPORT***

To provide transportation for the trips, it is the Club's policy to hire vans, the cost of which is divided amongst those on the trip. We are a non-profit making organisation and try to keep the individual cost of trips down. For this reason we have found it necessary to impose the following conditions:

The Monday before the trip is the last day for bookings and cancellations. However if after that day you find you are able to go on a trip, and there is a seat available, you will be most welcome.

Cancellations after Monday will incur a penalty of:

\$10 for a DAY TRIP or EXTENDED DAY TRIP.

\$20 for a WEEKEND or HOLIDAY TRIP.

Failure to turn up without notification will incur the full cost of the seat reserved. Of course, any valid reason for a cancellation will be accepted.
